**Official Address:** 500 Rutherford Avenue, Charlestown MA

See image below. On the image I have pointed out the Main Road, Cambridge College Sign, indigo sign (which is easy to spot from a car), the entrance and the parking lot. You may park in the lot for free - there is plenty of parking. Enter through the doors I have highlighted just to the right of the 500 number – continue straight down the hall. Pass through two glass doors, and veer left past the front desk. The gallery is just down the hall on the right, across from the café.
